of Tuberculosis; and for other purposes connected
therewith.

BE it enacted by the King's most Excellent Majesty, by and
with the advice and consent of the Lords Spiritual and
Temporal, and Commons, in this present Parliament assembled,
and by the authority of the same, as follows:—

5 PART I.

NOTIFICATION AND DISINFECTION.

1.—(1) If any medical practitioner attending on any person Notification,
becomes aware that that person is suffering from tuberculosis of
any form, or at any stage, and in any circumstances prescribed by
10 an Order of the Local Government Board under this section, the
medical practitioner shall forthwith send to the medical officer of
health of the district in which the patient is a certificate in the
prescribed form and containing the prescribed particulars.

(2) The Local Government Board may from time to time by
15 Order prescribe the forms and stages of tuberculosis to which,
and the circumstances in which, this section shall apply.

(3) Any certificate required to be sent to a medical officer of
health under this section may be sent either by delivering it to
that officer, or by leaving it at his office or residence or by sending
20 it by post addressed to him at his office or at his residence.

(4) If any medical practitioner required by this section to
send a certificate fails to send the certificate forthwith, he shall
be liable on summary conviction to a penalty not exceeding forty
shillings.

(5) The sanitary authority shall pay to every medical
practitioner for each certificate duly sent by him in relation
25

[Bill 259.]

A

A.D. 1928. to a patient in their district a fee of *one shilling* if the case occurs in an infirmary, public hospital, or workhouse, and a fee of *two shillings and sixpence* if the case occurs elsewhere.

Where the medical practitioner required by this section to send a certificate is himself the medical officer of health of the 5 district, he shall be entitled to the fee to which he would be entitled if he were not such medical officer.

(6) A payment made to any medical practitioner in pursuance of this section shall not disqualify the practitioner from serving as a member of any county or district council or as a guardian 10 of any union.

(7) The Local Government Board may make regulations for carrying into effect the provisions of this section, and such regulations shall, among other matters, prescribe the form of certificate to be sent under this section and the particulars to 15 be inserted therein, and shall provide for the proper custody of all certificates, and for securing that, so far as is, in the opinion of the Board, consistent with the public advantage, no publicity shall be given to any of the particulars contained in any such certificate. 20

The sanitary authority shall gratuitously supply forms of certificate to any medical practitioner residing or practising in their district who applies for the same.

(8) In this section the expression "medical officer of health of the district" means— 25

- (a) as respects any district for which there is a medical superintendent officer of health, that officer; and
- (b) elsewhere, the medical officer of health of the dispensary district.

c. 52.

53 & 54 Vict.
c. 34.

2. Section one hundred and thirty-nine of the Public Health 30 (Ireland) Act, 1878 (relative to the provision of means of disinfection), and section five (which relates to the cleansing and disinfecting of premises), section six (which relates to the disinfection of bedding), section sixteen (which relates to penalties), and section seventeen (which relates to power of 35 entry) of the Infectious Diseases (Prevention) Act, 1890, shall apply with the necessary modifications in every case where tuberculosis is notifiable under this Act as regards any premises, bedding, clothing or articles exposed to or likely to retain infection, in like manner as if tuberculosis were an infectious 40

disease to which those Acts apply, and the provisions of the said sections of the last-mentioned Act as so applied shall extend to every sanitary district in Ireland, whether those sections are adopted by the sanitary authority or not, provided that where the sanitary authority does not adopt those sections the provisions thereof shall apply in relation to tuberculosis only. A.D. 1908. —

PART II.

HOSPITALS AND DISPENSARIES.

3.—(1) A county council may, if they think fit, provide hospitals and dispensaries for the treatment of inhabitants of their county suffering from tuberculosis, and for that purpose may—

Provision of hospitals and dispensaries by county councils.

(a) themselves establish and maintain such hospitals and dispensaries; or

(b) enter into an agreement with any person having the management of any hospital or dispensary for the reception, maintenance, and treatment therein of any such inhabitants of their county as aforesaid.

(2) Two or more county councils may combine in providing a common hospital or dispensary for the purposes of this section.

(3) For the purpose of establishing a hospital or dispensary under this section a county council shall have all the powers which are conferred on county councils by subsection one and subsection two of section ten of the Local Government (Ireland) Act, 1898, and those subsections shall apply accordingly.

61 & 62 Vict. c. 37.

(4) A county council may borrow money for the purposes of this section in like manner as they may borrow for the purposes of a lunatic asylum under article twenty-two of the schedule to the Local Government (Application of Enactments) Order, 1898.

(5) A county council shall, for every hospital or dispensary established by them, appoint—

(a) a medical superintendent having the prescribed qualifications at such salary as may be approved by the Local Government Board; and

(b) such nurses having the prescribed qualifications, and other officers and attendants as are necessary for the requirements of the hospital or dispensary, at such respective salaries as the county council think proper,

and may dismiss any person so appointed as they think fit, excepting the medical superintendent, who shall not be dismissed without the concurrence of the Local Government Board.

A.D. 1906.

Committees
of manage-
ment.

4.—(1) Every hospital or dispensary established by a county council under this Act shall be managed by a committee of management appointed by the council. Provided that a county council may appoint a committee for the management of any two or more of such institutions.

5

(2) The committee of management shall consist of such number of members as the Local Government Board fix, and not less than three-fourths of that number shall be members of the council.

(3) The committee shall be appointed triennially, in the case 10 of the council of a county borough at such meeting of the council as the Local Government Board may determine, and in the case of the council of a county other than a county borough at the first meeting of the council after the triennial election of county councillors. Provided that in the case of the first appointment 15 of the committee the appointment may be made at any meeting of the council, and the members of the committee so appointed shall hold office until the next following meeting of the council at which committees are to be appointed under this section.

(4) The committee of management may from time to time 20 make all necessary rules for the conduct and management of the hospital or dispensary and the patients therein, and for the admission of patients, including patients admitted on special terms as to payment and accommodation. A rule made under this subsection shall not come into operation unless and until 25 it is approved by the Local Government Board.

(5) The provisions of this section shall, so far as circumstances admit, apply in all cases where a county council enters into an agreement under this Act for the reception, maintenance, or treatment of patients in a hospital or dispensary.

30

(6) The Local Government Board may, by Order, regulate the procedure of committees of management and make provision for the filling of casual vacancies in such committees.

Joint
committees.

5.—(1) Where two or more county councils combine for the purpose of providing a common hospital or dispensary, the councils 35 shall, subject to regulations of the Local Government Board, appoint a joint committee, with such representation thereon of each council as may be agreed upon, or in case of dispute may be determined by the Local Government Board, and the powers of the several county councils under this Part of this Act 40 (including powers of appointing officers or borrowing) shall be

exercised jointly by and through the joint committee, subject to the provisions of this Act, and as regards borrowing powers subject to regulations to be made by the Local Government Board.

A.D. 1908.

5. (2) A joint committee shall be the committee of management of the common hospital or dispensary, and all the provisions of this Act relating to committees of management shall apply with the necessary modifications to the councils providing the hospital or dispensary and to the joint committee.

10. (3) Save where otherwise provided in this Act, proceedings had or taken by such joint committee shall be had or taken in the names of the said councils jointly, and proceedings had or taken against any such joint committee shall be had or taken against such councils jointly.

15. 6.—(1) The expenses incurred by any county council or councils or committee of management in respect of any hospital established under this Act shall be classified as establishment expenses and patients' expenses.

Classification of expenses of hospitals.

“Establishment expenses” shall include the original cost of providing the hospital or dispensary, and of furnishing the hospital with the necessary appliances and furniture, and the cost of any extension or enlargement of the hospital, and the cost of keeping the hospital, its appliances and furniture, in a state requisite for the comfort of the patients; also the salaries of the doctors, nurses, officers, servants, and all other expenses for maintaining the hospital in a fit state for the reception of patients.

“Patients' expenses” means the cost of conveying, removing, feeding, providing medicines, disinfecting, and all other things required for patients individually, exclusive of “establishment expenses.”

(2) All expenses incurred by a county council in relation to the making or carrying out of an agreement under this Act for the reception, maintenance, and treatment of patients in a hospital shall, for the purposes of this Act, be deemed to be “patients' expenses.”

7.—(1) Subject to any conditions and restrictions which the county council or councils concerned may, with the consent of the Local Government Board, impose, all expenses incurred in relation to a hospital or dispensary under this Part of this Act shall, in the first instance, be defrayed by the committee out of a

A.D. 1908. fund to be called the common fund, and all sums received or recovered by the committee shall be paid into that fund and carried to the appropriate account thereof.

(2) In the common fund, separate accounts shall be kept as regards establishment expenses and as regards patients' expenses, 5 and in the case of patients' expenses a separate account shall be kept for each urban or rural district in the county or counties concerned in respect of the patients who were resident in the district at the time of admission.

(3) The money required to meet the expenses of a committee 10 under this section shall be supplied by the county council or councils concerned upon the prescribed demand of the committee, and the money so demanded shall be a debt due from the council to the committee and may be recovered by the committee suing in the name of any member or officer of the committee. 15

(4) In the case of a joint committee, the demand upon each of the county councils concerned shall be a demand for the proportion payable by that council under this Act of the money so required.

(5) The accounts of every committee shall be separately kept, 20 and shall be audited by an auditor of poor law unions designated by the Local Government Board, and all the enactments which relate or apply to the audit of the accounts of rural district councils (including the provisions of those enactments which impose penalties or provide for the recovery or payment of sums, whether 25 in respect of the salaries of auditors or otherwise), and all orders made thereunder, shall apply to the audit of the accounts of every such committee in like manner as if the committee were a rural district council.

8.—(1) The county councils establishing a common hospital 30 shall contribute to the establishment expenses thereof in proportion to the rateable value of their respective counties, or in such other proportion as the Local Government Board may, on the joint application of all the said councils, determine.

(2) The county councils providing a common hospital shall 35 contribute to the patients' expenses thereof the sums appearing in the books of the committee as chargeable against the several county districts in their respective counties, or in the case of the council of a county borough, against the borough.

(3) The county councils providing a common dispensary shall 40 contribute to the expenses thereof in such proportions as may be agreed upon.

9.—(1) All expenses payable by the council of a county borough under this Part of this Act shall be raised by means of the poor rate. A.D. 1908.
Raising of expenses.

(2) All establishment expenses, or the proportion thereof payable by the council of any county other than a county borough, shall be raised as a county at large charge.

(3) The amount appearing in the books of the committee as chargeable in respect of patients' expenses against any county district shall be raised as an urban charge or a district charge, as the case may require, in like manner as such charges are raised under the Local Government (Ireland) Act, 1898. 61 & 62 Vict.
c. 37.

(4) Notwithstanding anything in this Act, the amount to be raised by any county council for establishment expenses in relation to any hospital or hospitals shall not in any one year exceed the sum which could be raised by a rate of *one penny in the pound* on the rateable value of the property in the county, or, in any case where the Local Government Board so consent, the sum which could be similarly raised by a rate of *twopence in the pound*.

(5) All expenses payable by the council of a county other than a county borough in respect of a dispensary shall be raised in manner aforesaid as an urban charge or a district charge, as the case may require, over the county district in which the dispensary is situated, and in the case of a common dispensary the proportion of those expenses payable by the council shall be raised in like manner over the county district or districts determined by the council to be benefited by the dispensary.

10.—(1) Subject to the provisions of any rules with regard to patients admitted on special terms, all expenses incurred in maintaining in a hospital a patient who is not a pauper shall be a debt due from that patient to the council, or, if he is maintained in a common hospital, to the joint committee, but proceedings for its recovery shall not be commenced after the expiration of six months from the discharge of the patient, or, if he dies in the hospital, from the date of his death. Recovery of cost of maintenance of patients.

11. A person shall not suffer any disqualification or any loss of franchise or other right or privilege by reason of his being admitted into and maintained in any hospital provided under this Act. Saving of disqualification of patients.

12. The Local Government Board may make such orders, rules, and regulations as they think proper—

- (a) for regulating the communications by committees to county councils and by county councils to urban district councils of the respective amounts required 5 to be raised in each local financial year, or any part thereof, and the estimates to be made by committees of their receipts and expenditure in each local financial year;
- (b) for regulating the method of calculating the amount of 10 patients' expenses to be charged against any county district or county borough;
- (c) for regulating the administration of hospitals and dispensaries; and
- (d) generally for the purpose of carrying this Part of this 15 Act into effect.

PART III.

SANITARY PROVISIONS

13. A sanitary authority may, with the approval of and subject to such conditions as may be prescribed by the Local 20 Government Board, provide and pay for the delivery of public lectures within their district and for the distribution of pamphlets, notices, and leaflets on subjects relating to tuberculosis, and may, with the like approval and subject to the like conditions, provide any drugs or appliances which would tend to prevent or check 25 the spread of the disease.

14.—(1) A county council may appoint for their county a bacteriologist, with such qualifications and at such remuneration as may be approved by the Local Government Board, for the examination of meat or milk or milk products, and of sputum 30 or pathological specimens, and may, at their discretion, dismiss such bacteriologist.

(2) Subject to regulations to be made by the county council, the services of such bacteriologist shall, without charge, be at the disposal of any sanitary authority within the county for 35 which the bacteriologist is appointed.

(3) The expenses of a county council under this section shall be defrayed in like manner as establishment expenses under Part II. of this Act.

15.—(1) It shall be lawful for the medical officer of health of any dispensary district in a county for which a bacteriologist is appointed under this Act, and for any person authorised in writing in that behalf by the sanitary authority of any sanitary district in that county, to take at any place within the dispensary district in the case of the medical officer, or within the sanitary district in the case of such other person, samples for examination or analysis of any milk or milk products produced or sold or intended to be sold within the county.

A.D. 1904.

(2) Such sanitary authority shall, for any milch cow slaughtered under this section, pay to the owner compensation, which shall be determined in case of dispute in the manner provided by section two hundred and seventy-four of the Public Health (Ireland) Act, 1878, and shall not in any case exceed ~~ten~~ 5 pounds.

Powers of
urban
district
councils in
relation to
dairies
outside the
district.

41 & 42 Vict.
c. 52.

18.—(1) The Local Government Board under section thirty-four of the Contagious Diseases (Animals) Act, 1878, as amended by any subsequent enactment, may on the application of the council of any urban district make an order authorising the council to exercise in relation to any dairies outside the district from which milk is supplied within the district all or any of the powers which may be conferred on a local authority in relation to dairies within their district by an order under the said section.

(2) The expression "dairies" in this section includes any farm, farmhouse, yard, cowshed, milk-store, milk-shop or other place from which milk is supplied or in which milk is kept for the purposes of sale.

PART IV.

GENERAL.

Expenses of
sanitary
authorities.

19. Save where otherwise provided, all expenses incurred by a sanitary authority in the execution of this Act shall be paid as part of the expenses of such authority in the execution of the Public Health (Ireland) Acts, 1878 to 1900, and in the case of a rural sanitary authority shall be general expenses.

Prosecution
of offenders
and fines.41 & 42 Vict.
